

Registered Nurse

The provider is required to do the following:

- Work in a certified mental health clinic as required under HFS 61.96 (1)(b), Wis. Admin. Code (which meets Wisconsin Medicaid's HFS 105, Wis. Admin. Code, Requirements).
- Have a registered nurse license from the Department of Regulation & Licensing (DR&L) with a Master's degree in psychiatric-mental health nursing or community mental health nursing from a graduate school of nursing accredited by the national league for nursing.
